Grading Rubric: Quadratics

ALGEBRA II (SEMESTER 1)

	1	2	3	4	5
Quadratics	Unsatisfactory No attempt at problems Unable to follow work	Progressing 1. Can identify terms, factors, and coefficients 2. Knows $i = \sqrt{-1}$ and $i^2 = -1$ 3. Can solve using square roots 4. Can solve using the quadratic formula 5. Can solve systems using technology 6. Can determine min/max from vertex form	Minimally Proficient Great things	Exceeds Great things	Outstanding Great things
Another category	Needs ment things	Improve- Some	Fair Other things	Good things	Better Excellent Great things
